

***WORKS INSTANTLY. BEGINS ABSORBING IMMEDIATELY
ON CONTACT***

I. Manufacture Identification

InstaZorb International, Inc.
Emergency Telephone Number:
(877) 524-2742

Date Prepared: January 1, 2011

**II. Hazardous Ingredients
Identity Information**

Hazardous Components: None
Moist Formula
OSHA PEL: 10mg/m³ total dust
5 mg/m³ respirable dust
ACGIH TLV: 10mg/m³,
OTHER: N/A

Certified, no detectable
crystalline silica, using X-ray
diffraction and microscopic
analysis.

C.A.S. No. 93763-70-3

**III. Physical/Chemical
Characteristics**

Boiling Point: Solid
Vapor Pressure (mm Hg): Solid
Vapor Density (Air = 1): Solid
Solubility in Water: Insoluble
Specific Gravity (H₂O = 1)
Natural = 2.28
Expanded = .08 -.20
Melting Point: 2400° F
Evaporation Rate:(Butyl
Acetate =1): Solid
Appearance: White granular
particles

VI. Health Hazard Data

Route(s) of Entry: Inhalation
and Skin

Medical Conditions Aggravated
by Exposure: Persons using the
Dry Formula that are sensitive
to inert dust may experience
coughing when exposed to
heavy concentration of airborne
material.

If dust particles lodge in eyes,
use standard eye wash solutions
or water, and allow eyes to
clear.

**VII. Precautions for Safe
Handling & Use**

Steps to be taken in case
material is released or spilled:
Sweep with broom and dispose
of any inert, or non-
carcinogenic solid waste.

Waste Disposal Method: If not
contaminated, landfill or soil
additive. If used to collect
liquid material, dispose in
compliance with MSDS of
collected liquid. Precautions to
be Taken in Handling &
Storing: Store away from strong
acids.

VIII. Control Measures

Respiratory Protection: None

<p>Odor: Odorless</p> <p>IV. Fire and Explosion Hazard Data</p> <p>Flash Point: Non-Flammable Flammable Limits: Non-Flammable LEL: None UEL: None Extinguishing Media: Not applicable if unused, if used to collect flammable liquids, then consult MSDS of flammable liquid.</p> <p>V. Reactive Data</p> <p>Stability: Stable Conditions to Avoid: Hydrogen Fluorides Incompatibility: Hydrofluoric Acid Hazardous By-products: None Decomposition: None Hazardous Polymerization: Will not occur</p>	<p>required</p> <p>Ventilation: Local exhaust: N/A, Mechanical: N/A Special: N/A Other: N/A Protective Gloves: Not necessary Eye Protection: Safety glasses/goggles (optional) Other Protective Clothing: Not necessary Work/Hygienic Practices: N/A</p> <p>IX. Regulatory & Transportation Info.</p> <p>O.S.H.A. : Nuisance Dust (Not otherwise regulated) U.S.D.O.T. : Not regulated by D.O.T.</p> <p>The information listed herein and the recommendations included in this document are believed to be correct.
